UPDATE: Construction begins July 18 on the eastbound lane of I-94 between Casselton and Mapleton

Construction on this project has been delayed and is now scheduled to begin **Monday, July 18**, on the eastbound lane of I-94 between Casselton and Mapleton. The project will consist of concrete pavement repair and shoulder repair.

During Construction

- A lane closure will be in place through the construction zone
- Speeds will be reduced 65 mph for the project length and to 40 mph through the work zone
- A 15 ft. width restriction will be in place
- Flaggers will be onsite directing traffic as needed
- Oil may be present on the shoulders of the roadway
- Motorists can expect delays of up to 15 minutes

The project is expected to be complete this fall.
